

# Celebrating women everywhere

Women have been changing the world for centuries, and **International Women's Day on March 8** serves as a powerful opportunity to honor their countless achievements worldwide.

Take a moment to recognize the importance of women and the impact they have made throughout history. Ask yourself how you can support the women in your life, even if that woman is yourself.

Your program offers various resources, including 24/7/365 in-the-moment phone support, coaching, counseling, online courses, videos and tip sheets. Visit your program's web portal or mobile app to get started.
